# *the* **COLLECTIVE**

*Tucked away in the heart of The Rocks, The Argyle Stores is one of Sydney's most compelling heritage landmarks — a place where history and hospitality converge. Once a bustling customs house and series of bonded stores, the site is now home to a collection of restaurants, bars, event spaces, and offices, blending 19th-century character with contemporary charm. Stretching along Argyle Street, the complex includes sections dating back to 1826, with every sandstone block carrying the imprint of its past.*

*The east wing was designed by architect Henry Cooper, while the remainder of the structure evolved through the work of many hands over time.*

## ***A Site with Stories to Tell***

*Long before it became a centre of trade, the site supported Sydney's first hospital, complete with herb and vegetable gardens. Construction began in 1826 under Captain John Piper, passed through the hands of pioneering businesswoman Mary Reiby, and was completed by Frederick Unwin in 1829 as a three-storey stone building. Over the decades, the property changed hands and expanded, becoming known as "Unwin's Bonded Stores," where goods such as wine, whisky, rum, cheese, textiles, and tobacco were stored — offering a vivid insight into early colonial commerce.*

## ***East Wing — 20 Argyle Street***

*Originally initiated as a private development under Captain Piper, this wing later became Sydney's first Custom House under Frederick Unwin's ownership. By the 1840s, it housed imported goods and played a key role in the city's growing trading network. However, by 1845, the building had begun to fall into disrepair, and the customs office was eventually relocated to Circular Quay.*

## ***South Wing — now home to The Collective and Tailor Room Bar***

*Initially vacant, the South Wing began to take form in the mid-1830s. A modest three-room structure was established, likely serving as the Customs Agent's residence. In 1876, the site was purchased by Isaac Ellis Ives, who oversaw significant redevelopment. By 1878, the original buildings had been replaced by the existing South Wing, constructed to accommodate expanded storage needs.*

## ***West Wing — now home to Saké***

*Constructed between 1840 and 1845, the West Wing comprises four levels of storage. Initially leased by Henry Fisher and owned by Unwin, the site was purchased in 1854 by R & E Tooth, brewers and merchants. This section functioned as both a bonded and free store, and remarkably, its structure remains largely unchanged to this day.*

*From humble beginnings to heritage icon — its story continues.*

One of only 298 bottles produced, this sherry cask, 20 year old single cask, cask strength sherry cask has all the hallmarks of a strong distillery expression. Rich aromas of ripe forest fruits, stewed fruit with cinnamon and ginger spice paired with roasted nuts, coffee beans on the nose.

On the palate, intense notes ripe raspberries, forest fruits, toasted hazelnuts and black pepper along with spicy oak, roasted coffee beans and nutty tones that are followed by long and full charred oak and citrus peel on the finish.

**The Macallan** 25 Year Old 1998 Gordon & Macphail Cask Strength

*Speyside*

129 / 259

This expression is matured in a first fill sherry hogshead for 25 years and one of only 322 bottles at natural cask strength. Summer berries with autumn spice and fruitcake along with Morello cherry aromas with dark chocolate and zesty orange occupy the nose while the palate has stewed fruit, demerara sugar, sweet apple, vanilla fudge, cinnamon spice and toasted hazelnuts leading to full and lingering stewed red berries, dried cherry and charred oak finish.

**Rosebank** 31 Year Old Legacy Release 2

*Lowland*

237 / 475

Rosebank 31 Year Old is drawn from a carefully selected range of casks laid down in 1990, shortly before the distillery closed in 1993. This alluringly light and vibrant 31 Year Old leads with citrus bursts, lime, soft vanilla, lemongrass, coriander seed, clove and candied almonds on the nose. Camomile, berry and baked banana grace the palate, with a smooth finish of sweet peach, oak and herbal notes. The second in the global series of legacy Rosebank releases epitomises the qualities that earned Rosebank reverence as 'The King of the Lowlands'.

### *Bourbon*

15ml / 30ml

**Pappy Van Winkle** 20 Year Old

*Frankfort*

102 / 205

The #1 rated Bourbon Whiskey in the world with a 99 out of 100 rating by the World Spirits Championship. This bourbon is aged 20 years and bottled 45.2% ABV for a wonderfully smooth and rich profile which is intense and tantalizing. Smooth with a citrus zest notes, sherry and Christmas fruitcake, blackberry jam, cherry strudel with dried fruits and vanilla. The finish is long and elegant. Flavors like cedar cigar box and antique oak with hints of floral, chocolate, ground cinnamon and spiced fruit notes that round out the flavors.

**Pappy Van Winkle** 23 Year Old

*Frankfort*

174 / 349

As the oldest of the Pappy Van Winkle line up, the 23 year old is also the woodiest of the range with a slightly softer on the sweetness. Deep, powerful and concentrated, this has moved nutty, earthy, leathery territory with eucalypt, spice, burnt orange peel, apple, pear, biscuity notes. Palate is soft and surprisingly delicate given the age of this bourbon with complex charred notes. Cigar box, prune and molasses are present with a long and complex finish.

**Double Eagle Very Rare** 20 Year Old

*Frankfort*

300 / 600

This very limited 20 year old bourbon whiskey lives up to its name, maturing twice as long as the standard Eagle Rare 10 year old bourbon and aged on the lower floors of Buffalo Trace's historic Frankfort warehouses, reducing evaporation rates. Even after two decades of aging in oak barrel, this bourbon is surprisingly balanced but very complex. Floral and dark cherry hints of vanilla, baking spice and chocolate on the nose is followed by toasted oak, raspberry, bright cherries, caramel lead to a gracefully aged oaky flavor. Like nothing you've ever tasted.

**Woodford Reserve** Baccarat Edition

*Versailles*

192 / 384

Woodford Reserve Baccarat Edition is crafted by uniquely finishing the most complex and balanced Kentucky Bourbon in select XO Cognac barrels. Each barrel has seen three seasons of cognac before being filled with Woodford Reserve. The result is the best of both spirits. A balance of crisp American and French oak notes. Rich toasted oak dusted with chocolate and cocoa notes, creamy vanilla bean, and hints of clove and cinnamon spice cover a deep layer of dried fruit and citrus peel on the nose. The Palate carries elegant vanilla, dark chocolate, dried fruit and creamy caramel top layers of rich malt and oak which is followed by velvety and delicately spiced caramel mocha notes on the finish.

### *Cognac*

15ml / 30ml

**Grand Marnier** 'Quintessence' Grande Cuvée

*Grande Champagne, France*

333 / 667

Quintessence uses Bigardia orange exclusively macerated in cognac and double distilled, according to an old recipe from the brand's archive. The maceration in cognac elevates the bigardia's flavour, doubling up its concentration, scent and refined taste. Taking the liquid to its most exclusive and singular form, Quintessence is made of Grand Marnier oldest reserves: up to 70 years old Hors d'Age cognacs, exclusively from Grande Champagne, Cognac's first crue. The blend comes exclusively from 11 selected barrels, among which 2 from 1947, and 3 damejeane from the Paradis, which we believe to be even older.

Fresh lemony facets and complex woody notes on the nose with rich flavors of cognac, orange, walnut and dry apricot on the palate. The finish is vibrant and long. Lively and spicy cinnamon and dark vanilla notes.

**Hennessy** Paradis Rare

*P & G Champagne, France*

111 / 222

Hennessy Paradis was created by Maurice Fillioux in 1979 as a tribute to his love of music. He compared the blend to 'a symphonic orchestra', as "classical music that takes you away and connects with your emotions." The number of instruments in an orchestra is not necessarily a measure of its success, but rather the purity of sound it creates and the virtuosity of the conductor.

The eaux-de-vie in Hennessy Paradis have been aged only in very old barrels, thus giving this cognac its amber gold color and hues. On the nose, this blend exudes floral notes and jasmine, underpinned by delicate notes of cinnamon and exotic fruit. The Palate is graceful, silky texture leads to a flavorful and deep notes of peach, mango, honeysuckle and cinnamon that is finished by a deep and persistent notes.

## Tea Selection

- GOOD MORNING** Assam, Ceylon Orange Pekoe, Yunnan Red *India, Sri Lanka, China* 7
- A luxurious take on the traditional breakfast tea. Chocolatey Assam forms the base. High grown Ceylon Orange Pekoe floats through the middle with a light fruitiness. Sweet malt of Yunnan Red gives it the high notes to capoff this unique wake-up cup. For those wanting more from a breakfast tea, designed for milkmaid and chocolate.
- EARL GREY BLUEFLOWER** Ceylon Orthodox, Bergamot & orange oil, blue cornflower *Sri Lanka, Albania, Italy, Brazil* 7
- Layers of Ceylon Orthodox leaf are methodically laid out and infused with oils extracted from the bergamot fruit to create this tea. Brilliant blue cornflowers compliment the intense fragrance with an equally vibrant aesthetic.
- Afternoon Tea** Darjeeling, Ceylon Orange Pekoe, Yunnan Red *India, Sri Lanka, China* 7
- This blend is formed especially to accompany the classic afternoon tea fare ambience in mind. Bright and fresh, the recipe calls for the lifted character of Darjeeling with the lightly woody Ceylon Orange Pekoe and finally Yunnan Red for a hint of sweet malt on the finish.
- Sencha** *Kyoto, Japan* 8
- This is a fresh harvest organic Sencha from Uji Tawara, Kyoto. This late season's crop was a particular notable one for this time of year, tea was healthy and full even right before the first pick of spring season harvest. This required less firing during the drying process to retain the fresh vegetal and saltwater notes.
- Uji's riverside red-clay geography usually produces slower yields, though the current season proved to be a positive anomaly. No fertilisers or pesticides were used to produce this long and uniform-leafed sencha. The leaf has been lightly steamed and offers a fresher yet thicker brew once steeped.
- Genmaicha** *Kagoshima, Japan* 8
- The aroma of gently roasted rice is synonymous with this green tea blend. Roasted rice, white corn puffs and sencha form the components of this beloved classic. light yellowish-green, aromas of nori, congee and toast.
- Hojicha** *Kagoshima, Japan* 8
- This hojicha makes the most of late season sencha by applying an additional drum roasting at the end stage. After the usual steaming and drying of a sencha process, the green tea is placed in a large rotating perforated drum over 200C+ charcoal heat for fast firing. The leaf changes to a light hazelnut brown, and the end result is a light, airy leaf full of sweet and nutty aromas. Much of the caffeine is lost during the roasting, so this tea is also well suited to those after a more calming brew. The roasted profile removes the sensitivity to water temperature and the tendency towards astringency most green teas are often challenged with. light golden colour, toasty with notes of roasted hazelnut and caramel.
- Silver Jasmine** *Zhejiang, China* 7
- Xiaowang uses relatively high grown bushes for this scented orthodox leaf tea, picked at elevations of 1000m above sea level. The tea is infused with racks of jasmine blossoms three times to ensure the fragrance does not dissipate quickly. As such, this grade of jasmine tea takes no short-cuts as almost no jasmine blossoms are blended with the tea to avoid bitterness.
- Milky Oolong (Jin Xuan)** *Yunlin County, Taiwan* 14
- The Jin Xuan "golden lilly" varietal, developed in Taiwan in 1980, was given the moniker "milky oolong" due to its naturally occurring creamy fragrance, flavour and mouthfeel. Sourced from Mei Shan area growers, sixth-year-pesticidefree-converted parcel that is hand harvested. Expect cream, with a hint of lilies and jasmine.
- Cloud & Mist (Yun Wu)** *Zhejiang, China* 8
- This delicate green tea is created to impart its renowned buttery aroma. The tea grown here has this distinct flavour in part due to the combination of its rich river waters, resulting soil type, hilly typography, humid subtropical climate and of course, valley mist that blanket the tea bushes here. No deliberate oxidization process takes place. Once withered, the tea is rolled and lightly baked to create its signature green curls. Yun wu is grown mainly in Zhejiang and neighbouring Jiangxi province where lush forested terrains are present.

## Tea Selection

**Gunpowder Green (Lo Chu Cha)** *Zhejiang, China* 8

East Zhejiang Province is the birthplace of Lo Chu Cha (green pearl tea) which is known in the West as Gunpowder Green, so named after the gunpowder pellets. Since it grew to prominence in the West in the 1800s replica versions were produced in British colonies, namely Sri Lanka but standards continue to vary. Yuansheng Estate produces Gunpowder Green the original way. Green tea is rolled tightly, with shiny pellets showing off the essential oils carefully left on the pellets allowing it to have a fresh, vegetal and lightly tart taste. yellowy-jade liquor in appearance with lightly sour, cut grass notes.

**Masala Chai** Assam CTC, Spices *India, Nepal, Sri Lanka, China* 8

What makes this recipe authentic is not just in the spice selection which indeed, packs heat, but most importantly the choice Assam (cut, tear & curl - a process to granulate tea to maximise surface area). This will ensure that along with spices, you actually taste tea and the resulting liquor is rich, amber and tantalising.

**Chamomile** *Fayoum Governate, Egypt* 7

Whilst its calming essence is widely known, this humble flower contains many other health benefits. As you sink in the comfort of this natural relaxant, its anti-bacterial, anti-allergenic properties also work to promote skin health while staving infections. This organic chamomile is a simple single origin tonic with notes of chrysanthemum, marigold and honey. Golden, fragrant with honeysuckle sweetness notes.

**Peppermint** *Fayoum Governate, Egypt* 7

The Fayoum organic farms just west of the Nile is home to this lush green peppermint. Artesian waters and historically nutrient rich soils facilitate strong yields, rendering conventional farming for this popular herb unnecessary. Continual standing orders mean we receive fresh batches regularly. The deep menthol cool is testament to its quality and freshness. Golden and minty with chilling menthol.

**Rooibos** *Western Cape, South Africa* 8

This Rooibos is fully-oxidised like a red tea. Bright and earthy at the same time, this mystifying red bush tisane has a hint of rosehip on the palate married with a drift of warmed clay pot on the nose. When served with milk or milk substitute, caramel flavours come to the fore reminiscent of a Thai red milk tea. Anti-inflammatory, anti-viral actions of this herb along with providing alertness of tea without the caffeine are heralded as the benefits of this tisane.
